# OUR VISION

## Growth that is:

Intelligent - Based on Knowledge and Innovation

Sustainable - Resource Efficient and Competitive

Inclusive. - High employment that supports the local ecosystem

## Our Vision is:

To create an infrastructure for the reflection of energy and environmental awareness in design and material selection, to support recyclable materials, to produce products that are resistant to the geographical climate conditions and are not harmful to the nature.

To leave the world in a better condition to future generations by contributing to the formation of a sustainable, quality life culture.

# WHY IS **KERMIT** FLOOR SPC THE BEST FLOORING CHOICE ?

Meets and Exceeds all European & North American Quality Standards | 100% Waterproof | Pet Friendly | Stain Resistant | Impact Resistant | Lifetime Residential Warranty | Quick & Easy to Install | Patented click locking system | Easy to Maintain | Scratch Resistant | Digital Ultra HD Stunningly Beautiful Wood Visuals | Natural wood feel surface texture | Healthy Flooring choice with no formaldehyde & no phthalates & no heavy metals & no benzene & no plasticizers | Intertek Clean Air Certified Flooring; which meets stringent indoor air quality emissions criteria | Made from 70% Natural Stone & 30% combination of virgin pvc, minerals and stabilizers | Very affordable product and install cost | Worry & Stress free maintenance | Installs right over most hard & flat floors | Suitable with underfloor heating | Conforms to room temperature | Fire Resistant | Wear resistant | Safe, slip resistant surface | Antibacterial | Premium Quality Products - which meet and exceed ISO & CE & ASTM standards | Attractive & Informative Packaging | Ultimate Shield Surface Coating; which provides industry leading and superb scratch, stain and wear resistance | High Density IXPE - Quiet integrated sound reduction underlayment - Bonded cross-linked underlayment minimizes impact and transmitted sound, provides underfoot warmth and comfort, and mitigates subfloor imperfections. Anti-microbial.

The background of the entire page is a close-up photograph of a stack of logs. The logs are cut into various lengths and are piled together, showing different wood textures and colors ranging from light tan to dark brown. A semi-transparent grey rectangular box is positioned in the upper left quadrant, containing text. The text is in a clean, sans-serif font. The overall aesthetic is natural and rustic.

## NATURE INSPIRED COLORS & DESIGNS

Our in house design staff works meticulously to create impressive product colors, designs and surface textures that emulate real wood species. Our selections are sure to add elegance and beauty to any space. The boxes & packaging we provide are attractive, informative and professional
