## ISICAM® ARASI JALUZI

"Form Double Glass"

### VENETIAN BLIND

Used between double glazed, and no need to clean.

Quiet design, new powerful engine manually controlled by membrane switch. Optional remote control.

Adjustable to the intelligent house systems.

### JALUZİLİ ISICAM

Sistem, ısıcam (çiftcam) arasında çalışır. Bu bakımdan herhangi bir temizlik istemez. Eksenel de çalışabilen Jaluzi sistemi istenir ise iki camın arasında tamamen yukarıya toplanır. ısıcam arası jaluzide ısıcam sistemi özelliğini aynen korur. Yani sığağa - soğuğa ve sese karşı yalıtım özelliklerinden hiçbir şey eksiltmez. ısıcam arası jaluzi güneş ışınlarından kesinlikle etkilenmez ve bozulmaz.

Doğrama renklerine uygun renk seçenekleri mevcuttur.
